

CARE GUIDE FOR QUARTZ SINKS

Your Karran quartz sink is produced from the highest quality natural quartz and synthetic acrylic resins. With the right care it will last a lifetime.

Cleaning and caring for your quartz sink is easy. Simply follow the reference guide given below.

Normal impurities (residue from washing up)

Clean your sink with water, liquid dishwashing soap and a sponge or cloth, then dry. This should be done after every use.

Metal abrasions (pots, pans and cutlery)

Use a rub-out sponge or eraser sponge. Follow up by cleaning your sink with water, liquid dishwashing soap and a sponge or cloth, then dry. Do this whenever necessary.

Lime stains and rust

Use vinegar or a commercial lime and rust remover. With vinegar, dilute 50% with water and let it soak into the affected areas for 20 minutes. Rinse thoroughly then dry. With a commercial lime and rust remover, follow the directions for use on the packaging, then rinse sink thoroughly and dry. Do this whenever necessary.

Stubborn stains

Mix 1 part household bleach with 15 parts water and let soak in sink for 1 hour. Drain, rinse thoroughly and dry. Do this whenever necessary.

These simple maintenance tips will keep your sink looking its best for years. To prevent permanent damage to your sink:

- Do not place hot pots or other hot items directly onto the sinks surface. Let them cool completely before placing them on the sinks surface.
- Do not use the sink as a cutting board. While quartz is incredibly durable, sharp knives may cut into the surface.
- Do not clean the sink with abrasive cleaning pads and powder detergents. This may dull and damage the sinks surface.

WARRANTY FOR QUARTZ SINKS

Plexicor (USA) Inc., (hereto known as the Company) warrants each new quartz sink to be free from defects in workmanship and materials when used under normal conditions and maintained properly.

This warranty applies to all Karran quartz sinks but does not apply to damages caused by the following:

- Accidents, physical abuse or misuse
- Damage from excessive heat
- Breakage not due to a defect in the manufacture of the material
- Improper care and maintenance

This lifetime warranty shall be in effect from the date of installation into the residential or commercial application. This shall be instead of any other warranty, either express or implied, including but not limited to, any implied warranty of merchantability or fitness for a particular purpose. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

The Company will repair or replace, at its option, any Karran quartz sink that the Company has found to be defective and is within the period of the warranty. The liability of the Company, under this warranty, is limited solely to the repair or replacement of the Karran sink within the warranty period. Should the sink, at the company's option, be replaced the Company may, at its option, provide \$150 (one hundred and fifty dollars) only towards the installation of another Karran sink. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives the original purchaser specific legal rights and you may have other rights that vary from state to state.

Under no circumstances will the company be responsible for any expense in connection with any repairs made by anyone other than an authorized representative of the Company and Karran Sinks. All repairs must be specifically authorized by the company in writing before being undertaken.

PLEASE NOTE: YOUR SINK IS AUTOMATICALLY WARRANTED. YOU ARE NOT REQUIRED TO SUBMIT ANY WARRANTY OR PURCHASE INFORMATION TO THE COMPANY.
